IMPORTANT REMINDERS:

- 1- We collect REAL Christmas trees ONLY. We do not pickup artificial trees.
- 2- Please cut trees to a maximum of 7 feet.
- 3- Remove everything from the tree, especially tinsel. The trees are going to a tree farm so they cannot have anything on them.

** OTHER COUNTY WASTE CUSTOMER LOCATIONS:

If your community isn't listed above, you may contact us to pickup your tree for a small fee. A special truck will pickup the tree as soon as possible.
